Experience

Substitute Teacher *October-December 2019, Bismarck, ND*

I am a substitute teacher for the Mandan Public Schools and Light of Christ Catholic School system. I implement classroom lessons and classroom management strategies. I am responsible for a classroom of students for a whole or half-school day.

Early Childhood Learning Center *Teacher/Jan. 2016-present Bismarck, ND*

As the main teacher in the Infant/Toddler room, I created and taught developmentally appropriate lessons. As a teacher aide in the preschool and school-age classrooms, I teach Social-Emotional skills like problem-solving and self-regulation as well as implementing classroom management strategies.

Surprise Church *Catechist /September 2016-April 2019/Bismarck, ND*

I taught lessons to a group of 20-35 students aged 4 up to 5th grade. I taught lessons with hands-on activities, music, and religious curriculum. I was flexible with content and strategies and gained experience in providing leveled support and differentiation for a multi-age grouping of students.

Rapid City Children's Center *Child Care Aid /May-September 2018 and May-September 2019/Rapid City, SD*

I have experience leading field trips and subbing in classrooms for teachers for children aged 1 through 5th grade. I was responsible for the safety and well-being of the children on field trips and in the classroom. I implemented classroom management strategies, created meaningful art experiences for students that fostered creativity, and fostered problem-solving and other social-emotional skills for the students in my care.

DreamKids Daycare *Co-Lead Teacher/May 2017-Aug. 2017/Rapid City, SD*

I was responsible for providing care for fifteen to twenty children at the center and on field trips which includes creating activities, cleaning up the center, preparing snack, and classroom management.

Fit-N-Fun Daycare *Teacher Aide/May 2016-August 2016/Rapid City, SD*

I was responsible for children of various ages (toddler through fifth grade) on field trips and at the center which includes creating and implementing activities, providing snack, and cleaning the center.
